**Petition for extension of time, under rule 1.136**

The Honorable Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Applicant hereby petitions for an extension of time of two month extending the due date for replying to the final office action mailed to applicant on Dec. 29, 2005, for which a response was filed on February 28, and an advisory action was mailed to applicant on May 6, 2005. As the advisory action was not mailed to applicant before the end of the three month shortened statutory period, the extension fee is calculated from the date the advisory action was mailed.

A credit card charge authorization for \$225 is enclosed. The commissioner is requested and authorized to charge any additional fees due, and credit any overpayments, to my Deposit Account No. 501-392, throughout the pendency of the application as required to maintain the application pending in good standing at the USPTO.

Respectfully submitted

Shalom Wertsberger
